Dear ELPOA Members,

March 1, 2017

We are excited to share with you some of the things we are working on for 2017. We have been updating the ELPOA Website so you can use it to find out about ***“all things ELPOA”***. If you are reading this letter you are already in the ELPOA Website. We invite you to take a few minutes and look around to notice all the information available to you at your fingertips. Check out the Calendar as many events have already been added for the entire year including General Membership Meetings, Fun Fridays, ELPOA Day and various club events open to all members of ELPOA. When you pick up your tags this year, you will receive a copy of the newly amended By-Laws along with some other surprises. It's going to be a fun year!

The work on the Erskine Lake Dam Rehabilitation continues as we coordinate the project with the State of New Jersey and the Borough of Ringwood. Additional updates will follow as we progress through all the details of such an expansive project. Please consider attending one of our General Membership meetings to learn more and get any individual questions answered that you might have.

I want to thank my team for all their help and advice over the past few months:

- Vice President – Keith Davison
- Secretary – Donna Kirby
- Treasurer – Kim Link
- Controller – Antonio Torchia
- Executive Advisory Board Members – Luis Hernandez, Kevin Kearns, Pete Kelly, Peter Kelly and Kathy Ranft

Please use the “CONTACT US” tab contained in this website to click and communicate via email with dozens of clubs, committees, and officers. It truly is that simple to get a question answered, make an inquiry, volunteer, or simply tell us what's on your mind. Remember that ELPOA is an Association run by volunteers so please be patient as we all pull together to get it all done.

It is with sincere gratitude that I express ELPOA's thanks to Luis Hernandez, our immediate past president for his years of service and dedication to ELPOA. Luis will continue as Chairman of the Dam Committee helping us get this project completed.

I am looking forward to enjoying many fun times in 2017 with you - ***My ELPOA Family***,

Susan Hawley, President
